Dear Parents/Guardians,

The school is organising a virtual overseas Chinese Language and Cultural Immersion programme with Nanjing Shangyuan Elementary School in China for our Primary 4 and 5 Higher Chinese students. This programme provides our students with the opportunity to connect with their peers in China in an immersive language environment. Through this immersion programme, we aim to foster the global awareness and cross-cultural competencies of our students as they learn about and appreciate the diverse cultural heritage.

The programme will be conducted during their HCL curriculum time.

The details are as follows:

Date	Venue	Duration

Should you need any further clarification, please do not hesitate to contact your child's/ward's Mother Tongue teacher through the school at 6538 2125 during office hours.
